

Bare. Jacob

Fort Littleton

d. Nov. 26, 1889

Age above 70 yrs.

Nov 27, 1889

--- ~~Mr. Jacob Bare~~ DEAD.

It is with profound regret that we chronicle the death of Mr. Jacob Bare which was first informed took place at his home in Fort Littleton on Sunday evening. November 26, 1889. For some days he had been afflicted with trouble of the bladder. Several days ago Dr. Froot was called, in consultation with Dr. Hill, but they were unable to give only temporary relief. He gradually grew worse until the end came. Mr. Bare was one of our best citizens. He was a consistent christian and in every respect an honorable, upright gentleman, and will be greatly missed in the community in which he resided. He was well known, and was highly respected by all who knew him. His age was above seventy years.
