

## BARTON

This community was shocked last Saturday evening on learning of the death of George M. Barton. Mr. Barton died Wednesday. A bad case of Quin- ton was going about his work as late as Saturday evening which terminated in heart failure and death at six o'clock, Saturday evening.

Mr. Barton was a son of Henry N. and Laura Mumma Barton, and was aged twenty nine years, and four days.

He leaves to mourn his loss, a widow Lulu, daughter of George H. and Tillie Schenck, also three small children, one an infant, a brother, James M. and a sister, Nellie, wife of Ernest Mellott and his parents all of Crystal Springs.

Mr. Barton was a member of the Methodist church and of a disposition that made him many friends.

He served in the World War, commissioned a corporal. A fine physical specimen of man. Surely a convincing demonstration that death is no respecter of persons.

Funeral at Akersville, Tuesday afternoon, Rev. S. J. Pittinger officiating. Interment in cemetery at that place.
