## PARKER E. BIVENS MEETS TRAGIC DEATH

Buried Dynamite Load Explodes As He Drills Hole For New Charge

The entire community is shocked and saddened at the tragic death of Parker Eugene Bivens which occurred Thursday, September 7. The young man, an employee of the State Highway Department, was engaged in the Morton Quarry in drilling a stone preparatory for a blast when a terrific explosion occurred from the hole in which he was drilling, blowing off both his legs and destroying the sight of both eyes. ile was given first aid by Dr. E. H. MacKinlay and rushed to the Chambersburg hosp; al where he died in the afternoon sho 'tly after 2 o'clock, the accident having occurred at 10 A. M. The injured man was conscious almost to the time of his death. In the face of his terrible injuries he showed great self control and conversed with his father, stating he was not afraid to die.

Alvin Fix, a fellow worker who was standing near Mr. Bivens, had the crystal of his watch broken, but .culously, was not injured. en had done some dynamiting the vening before, and it is thought that one charge did not explode and the hole in which it was placed was covered by flying earth, and Mr. Bivens

struck it in drilling.

Parker Eugene Bivens was the only child of James and Alice (Craig) Bivens and was born at Big Cove Tannery on December 7, 1908, being aged only 24 years and nine months.
